Dear Speakers/Delegates/Attendee,

Arjyopa Healthcare welcomes you to attend the 9th World Cancer Congress - 2025 during November 20th - 21st, 2025 at JNU Convention Centre, JNU Campus, New Delhi, India. We cordially invite all the participants interested in sharing their knowledge and research in the arena of Oncology and Cancer Research. As a host we feel excited that our past 8th Editions of WCC has able to create impact in people life and which resulted in fruitful collaborations and rewarding experiences for the researchers and speakers. We are also happy that WCC Series has helped them enhance their work practice and impact on their research.

The WCC is a global platform for the cancer research community, where scientists, clinicians, other health care professionals, survivors, patients, and advocates gather to share the latest advances in cancer science and medicine. From population science and prevention; to cancer biology, translational, and clinical studies; to survivorship and advocacy. The WCC-2025 Conference aims to offer global forum for experts, researchers, and participants to discuss latest research in Cancer and Oncology.

The aim and goal of this year summit is to bridge basic and clinical aspects of the genesis, progression, prognosis, prevention, and treatment of cancer. The summit is focused upon disease management, prevention, strategies for early diagnosis, and specific classes of therapeutic agents, results of a clinical trial, an emerging interventional technique, supportive care, and rehabilitation/reconstruction. The conference will provide an ideal platform for knowledge transfer, B2B networking and collaborations along with a delightful experience of a scientific meeting combined with social evenings which will set a perfect backdrop for The 9th World Cancer Congress-2025.

We look forward to the honor of welcoming you at New Delhi, India during the conference week
